

# Firing Points

Summer 2016

The Newsletter of the PHARR RIFLE & PISTOL CLUB

Vol. 24 No. 3

## RENEWALS COMING UP

- Express renewals for current members will take place in Aug. Check the Aug. calendar page for details. Remember, all memberships end on Sept. 30th. The new year begins on Oct. 1st. Renewals for next year begin in July. Make any express or regular session.
- Regular membership sessions:  
**July, Aug & Sept:**  
1st & 3rd Sundays -  
1:00pm at the range  
Every 1st Tuesday -  
7:30pm at the range
- You probably have noticed the recent improvements at the range. Upkeep has been hard. Darn rain. Not enough, then too much. *Thanks to Jeff Richter for spreading the first loads of caliche. Armando Herrera for finding a motor grader for the big caliche loads. George Grizzard for the power wash and clean out of the old restrooms.*
- Firearms Courses:  
We've held several classes in

the new classroom. Notices for new classes will be emailed as instructor, Edwin Rodriguez adjusts his schedule. Recent classes: Handgun instructor, rifle instructor, Range Safety Officer.

- We're looking for volunteers with a chain saw or tree limb loppers. If you have some time to donate, call Neo at the number below.
- Thanks to everyone for helping keep our new baffle covers in good shape. Please remind everyone that the baffles are not meant to be shot. The baffles are a preventative safety feature such as the guard rails on a highway. Scrapes on the guard rails and holes in the baffles means something went wrong.
- Please help new members with the 180. Just yell "muzzle" in their direction. They will appreciate it. Everyone wants to be the best that they can be. We all help each other.

## Match Schedule
