The Newsletter of the PHARR RIFLE & PISTOL CLUB

Vol. 24 No. 4

THE NEW YEAR

- October always starts our new fiscal year. If you have not renewed your PRPC membership then your gate key will not work after midnight on Sept. 30th. If that describes you then look for a renewal form inside this newsletter. Those who did renew before the end of Sept. have already had another year added to their gate key. Remember, you have to attend a safety session every year to maintain membership.
- Regular membership sessions:
Oct, Nov & Dec:
Every 1st & 3rd Sundays - 1:00pm at the range
Every 1st Tuesday - 7:30pm at the range
- We did well with the express renewal sessions in August. About 40% of the membership renewed during these fast paced sessions.
- 1st Aid: We've signed on as a provider for Red Cross courses.

Right now we're setting up to teach first aid in the club classroom. A few details remain before we can start. This will not be a free course or a short lecture. It will be a "real" hands-on, learn-how-to-deal-with-a-real-emergency, hours long learning experience. Expect an email shortly with details.

- Thanks to certified instructor, Edwin Rodriguez, we've been creating a steady flow of Range Safety Officers. We will send out an email notification as dates for new classes are determined. Let us know if you would like us to schedule the handgun instructor certification course.
- Remember, you can collect abandoned brass from any of the ranges. Brass is not abandoned if the shooter is still on the range. He might be waiting to pick it all up at one time.
- And of course, look behind your target before you shoot.
