The Newsletter of the PHARR RIFLE & PISTOL CLUB

Vol. 25 No. 1

## PARDON OUR CLEANING

- Well, what a time it's been! Pardon our tardiness, but if you have not attended a monthly meeting for some time, you may not have heard that Neo Canales, heart and soul of the Club, was in the hospital over Thanksgiving and is still in recovery. He'll be working on his health for the foreseeable future. If you call him, he will answer and have a conversation, but he is out of Club business until further notice.
- With Neo's absence, there was no quarterly newsletter for Jan-Feb-March.
- Club Officer Elections are coming up in MAY! We want you! But seriously, Vice President David Wallace has also relocated to Corpus Christi, so we are short two Club Officers. If you value the continuance of the Club, we need additional people to step forward and take on responsibilities for keeping the Club running.

- Thanks to those who have helped in keeping the club running. We still need more, so consider an official position in the Club.
- MEMBERSHIP SESSIONS:  
**Apr, May & Jun:**  
1st & 3rd Sundays -  
1:00pm at the range  
Every 1st Tuesday -  
7:30pm at the range
- Trees around the property have been trimmed to make maintenance easier. You are welcome to take any mesquite branches home for your bbq use. Existing branches still need to be dragged up to the front of the property for disposal. Please help out if you can.
- We have partnered with the Pharr Fire Department to qualify their personnel for shooting at our range. Stay tuned to the website for notification when they will have reserved range use. Yes, it will be posted in advance.
