

Basic Handgun / Carbine Class

This 1/2-day (4 hour) course is designed to introduce basic firearm safety and handling skills and to teach the basic fundamentals of owning a handgun or carbine. Additionally, we will touch on some of the skills being taught in our Handgun I course. This is a great course for those considering the first time purchase of a firearm or new firearm owners desiring professional instruction to promote their confidence. It also serves as an introductory skills course for other more advanced defensive courses.
