

# Tactical Handgun/ Carbine Combination Course

This 2-day (8 hour each day) course is designed to develop intermediate through advanced Tactical Carbine and Tactical Rifle skills. This tactical course is designed specifically to develop proficiency and confidence in the shooter's ability to effectively engage threats in a rapid matter. Participants will undergo a short refresher on firearm fundamentals and quickly build into more advanced tactical and combat skills. Students must possess adequate fitness levels as this course involves standing for prolonged periods, kneeling and other body positioning. Please be mindful that this is an intense course; physical activities are conducted throughout the training.

## 8 Students per Instructor

The subject areas that will be covered include:

- Trigger Control
- Combat Reload
- Failure Drills
- Transition Drills
- Strong / Weak Hand Shooting
- Sectors of Fire
- Reflex Shooting Techniques
- Tactical Movement Techniques
- Room Clearing
