RENEWALS COMING UP

- Express renewals for current members will take place in Aug. Check the Aug. calendar page for details when that time comes. Remember, all memberships end on Sept. 30th. The Fiscal Year begins on Oct. 1st. Renewals for next year begin in July.
- Regular membership sessions:
July, Aug & Sept:
1st & 3rd Sundays -
1:00pm at the range
Every 1st Tuesday -
7:30pm at the range
- Have you noticed the nice clean lines of all the trees on the range? Special thanks to VP Todd Jandreau and more for their cutting and cutting and cutting. Unfortunately, the FD has been less than helpful in getting a burn permit so we can dispose of the detritus. We'll be purchasing a chipper/shredder soon, as we expect we will be using it multiple times a year. The area in and around the Borrow Pit behind the 100 and

adjacent to the 200 is a veritable jungle. That will need to be seen to in cooler days.

- Please don't shoot the baffles. Always swipe your ID card upon entering/exiting the range, even if gate is open.
- Welcome our new 2nd Vice President Ray Mendez to the team. Ray is working on scheduling some new UTM training events at the range. radarmoryllc@gmail.com for more info!
- It's time we consider becoming a Federal Nonprofit & Tax Exempt entity. This probably entails quite a bit. Our 2017 Property Tax Evaluation is now an exceedingly large number. Keeping that money for internal improvements is probably a better choice. The implications here are significant and will require Expert knowledge on the matter. We are currently a Texas Nonprofit only, and not tax exempt.
