- The new Fiscal year has just started. Your card should open the gate. Card not opening the gate? Looks like you need to attend a Safety Briefing and REJOIN the Club. See above times.
- We're headed into the new year. It was 1935 when the club was created.
- Membership fees go to paying for what needs to be paid for. Construction work and materials. Light bulbs and paper work for the restrooms. As well as power & water for the restrooms.
- What we have is history. When I first joined Las Milpas was in the county. Pharr hadn't grown that large yet. We got a complaint from Las

- Milpas about shooting at night. We don't shoot at night, I said. They said it was drug dealers. Wonder why they never bothered us.
- Front gate could need some help in opening and closing. Simply lift it up or hold it down slightly. We're at the point of replacing parts.
- The first day of winter is Dec. 21st. Lots to worry about down here. Wear a sweater.
- Want to be a range officer? Sign up. We need at least 6 to 8 people to hold the class. Call or email.
- Throw your garbage in the big garbage can. It's the only one that gets picked up.
- No shooting at night. No light, no safety. Provide your guest with eye and ear protection.
- Shoot straight. Shoot safe.
